

Graduate Intern / Trainee

- This title should be used for graduate students (enrolled at UW-Madison or at another university) who are serving a field work or clinical internship which fulfills specifically stated requirements for the Ph.D. or Master's degree.
- The graduate intern/trainee title is also the correct one for short-term research training appointments in the UW-Madison School of Medicine and Public Health under the National Research Service Award Program.
- Taxes will not be withheld from these stipends. Except in rare cases, appointees will be required to pay taxes on the amount of stipend that exceeds the cost of tuition, fees, books, supplies and equipment. Appointees may be required to pay estimated taxes on a quarterly basis.
